A Tribute to Kay from her ACC Colleagues

The ACC bids farewell to Kay.
Before she leaves there are things we must say:
Professional, kind and smart
A remarkable blend of mind and heart.
No one you meet could be wiser
Even before Covid she used hand sanitizer.
She made the placement office hum
With remarkable discretion, she remained mum.
She steered job applicants along on their way
While introducing us all
To Rombauer Chardonnay.
Her virtues are far too many to list
Let us simply acknowledge how much she'll be missed
This poem is a tribute and not a roast
For this lover of wine, let's all join in a toast!

Thank you for all you have done for me as a friend, mentor, and colleague...and

I look forward to opening many bottles of **GOOD** wine in the coming years! Enjoy retirement, but not so much that you don't come to an ACC board meeting or convention from time to time.
